

Corner Brook Acute Care Hospital

Torys acted for the Government of Newfoundland and Labrador and the Western Regional Health Authority as the public authorities for the C\$750 million Corner Brook Acute Care Hospital PPP project to design, build, finance and maintain a new acute care hospital in Corner Brook, Newfoundland and Labrador.

Municipality:	Corner Brook
Province:	Newfoundland and Labrador
Country:	Canada
Procurement Model:	DBFM - Design Build Finance Maintain
Government Level:	Provincial
Value:	\$750,000,000 CAD
Client Name:	Government of Newfoundland and Labrador and Western Regional Health Authority
Client Role:	Public Authority

The new seven-story, 600,000 square-foot hospital will have 164-beds with the same services currently provided at Western Memorial Regional Hospital, as well as an expanded cancer care program, including radiation services. The new hospital will connect to the newly constructed 145-bed Corner Brook Long-term Care Facility on the same site.

The Government of Newfoundland and Labrador and Western Regional Health Authority reached financial close on the project on August 9, 2019.

Torys represented the Government of Newfoundland and Labrador and the Western Regional Health Authority with a team that included Dan Ford, Josh Van Deurzen, Emma Sako and Marshall Rossiter.
