

Lakeshore East Central Corridor Expansion

Torys is acting as counsel to Infrastructure Ontario and Metrolinx as the public authorities for the Lakeshore East Central Corridor Expansion AFP project to build and finance upgrades in support of the planned expansion of GO Transit's rail service on the Lakeshore East line.

Municipality:	Greater Toronto Area
Province:	Ontario
Country:	Canada
Procurement Model:	BF — Build Finance
Government Level:	Provincial
Value:	<i>Pending Financial Close</i>
Client Name:	Infrastructure Ontario and Metrolinx
Client Role:	Public Authority

The project will feature:

- two grade separations at Scarborough Golf Club Road and Morningside Avenue;
 - approximately 3.4 km of track and grading work from Galloway Road to Beechgrove Drive; and
 - all supporting infrastructure including retaining walls along the central segment of the Lakeshore East Corridor.
-
